

## EXCURSIONS

In order to make your stay during the European Championship in Poland more attractive, we have prepared a special offer of excursions to places which are especially worth seeing in our country. Below, you can find the description of the places which are: Wieliczka Salt Mine, National Park Ojców, Kraków's Old Town and JuraPark in Krasiejów. As these places are a popular destination in Poland at this time of the year, please make the booking as soon as possible. The deadline is 15 May 2017. The number of places is limited.

All prices as well as the booking form are listed below. If you find this excursion offer appealing to you, please fill in the booking form and send it to the following address: [me.tkd2017@op.pl](mailto:me.tkd2017@op.pl) After making the booking, you will also be asked for an advance payment.

**Ojców National Park** is Poland's smallest but one of the most attractive national parks.

It's famous for its varied landscape and rich history. It attracts the visitors with its cultural sites too - two castles built in the 14 century.

### **Krakow's Old Town. Explore one of the most beautiful cities in Poland!**

The tour around the Old Town includes the most important and beautiful sites in the former Polish capital.

We usually set off at the Wawel Hill with the visit of the Royal Cathedral and arcaded courtyard of the Castle. Afterwards, along the oldest Krakow's streets, we head for one of the most beautiful temples of Krakow - the Church of St. Francis of Assisi. It's famous for its stained glass windows created by the great Polish artist, Stanisław Wyspiański. For more information, please visit <https://www.inyourpocket.com/krakow/Old-Town>

## JuraPark Krasiejów

Almost 70 species- about 200 models makes Jurapark in Krasiejow the largest of its kind in Europe. Time Tunnel, Educational Path, Paleontological Pavilion, Prehistoric Aquarium and much more...
